Re: CC Docket No. 00-257: *In the Matter of 2000 Biennial Review - Review of Policies and Rules Concerning Unauthorized Changes of Consumers Long Distance Carriers.*
Notification of Zayo Bandwidth, LLC Pursuant to 47 C.F.R. § 64.1120(e)

Dear Ms. Dortch:

On behalf of Zayo Bandwidth, LLC ("ZB"), pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), we hereby notify the Commission of ZB's intent to acquire certain telecommunications customers of its current affiliate Onvoy, Inc. ("Onvoy") (ZB and Onvoy together, the "Parties").

Names of the Parties to the Transaction: The customer transfers are the result of multiple *pro forma* intra-corporate transactions being undertaken in order to consolidate the corporate structure of Zayo Group, LLC's ("Zayo Group") subsidiaries and to appropriately allocate assets and customers to Zayo Group's various operating units -- Zayo Bandwidth, Onvoy Voice Services, and Zayo Enterprise Networks.

As part of its effort to streamline its corporate structure, Zayo Group will complete the alignment of the assets and customers acquired in the prior Onvoy transaction with the appropriate Zayo Bandwidth, Zayo Enterprise Networks and Onvoy Voice Services business units. Although regulated telecommunications services have continued to be provided by Onvoy since that transaction under its existing authorizations, Zayo Group has already consolidated many of the 'back office' functions of the service in the appropriate business unit. In the current reorganization, Zayo Group will complete that realignment so that the telecommunications services provided to certain customers of Onvoy in Minnesota will be provided by ZB.

Types of Telecommunications Services Provided to Affected Customers: The customers affected by the transfer of assets and customers from Onvoy to ZB are large enterprise customers and other carriers. These customers receive Private Line, Ethernet, Wavelength, Dedicated Internet Access and Collocation services.

Date of the Transfer: The parties anticipate that the affected customers will become customers of ZB on or about January 27, 2010, or as soon as possible thereafter following receipt of regulatory approvals.

Certification of Compliance: Attached hereto is a certification from ZB required under Section 64.1120(e)(1) of the Commission's rules.

Copy of Notice Sent to Affected Subscribers: Notice was provided to the affected customers by letter dated December 14, 2009. Immediately following completion of the *pro forma* intra-corporate transactions, all affected customers will be receiving virtually identical service from ZB, at the same rates, terms and conditions, as they currently receive from their current provider.

The text of the letter provided to the affected customers of Onvoy that will be realigned with ZB follows:

As a Zayo Bandwidth customer, we want to thank you again for your valued business. On an administrative note, we are notifying you that Zayo Group is implementing an internal corporate reorganization and thus your telecommunications carrier of record will change to Zayo Bandwidth on or after December 31, 2009. Zayo Bandwidth will continue to provide you the same telecommunications services previously provided by our affiliate, Onvoy Voice Services, and your associated pricing and terms and conditions of service will not change as a result of this reorganization. There is no charge associated with the change from Onvoy Voice Services to Zayo Bandwidth and any preferred carrier freeze you will remain in place. Your bills will continue to come from Zayo Bandwidth and we will continue to resolve any issues you may have with your account or service using the same customer service number: 1-866-236-2824. We recognize that you do have the right to change telecommunications providers subject to restrictions in your contract or service order. Zayo Bandwidth looks forward to continuing to provide you with the superior service you are accustomed to receiving and to the opportunity to provide you additional services.
